### Vodacom Prepaid Fibre Broadband Price Plans

Line Speed (Mbps)		30-Day Data Allocation	30-Day Data Bundle Cost
Download	Upload		
20	10**	Uncapped*	R599
20	20	Uncapped*	R699
50	25**	Uncapped*	R799
50	50	Uncapped*	R899
100	100	Uncapped*	R999
200	200	Uncapped*	R1 199

- Vodacom Fibre Prepaid will be available only on the Self-Built Vodacom fibre network
- One Time Service Activation charge: R1599 (includes fibre installation and router)
- No Contracts - Purchase uncapped services monthly (as and when you need it\*\*\*) using a debit/credit card via the Vodacom self-service portal
- No credit vetting
- No debit orders
- The R1599 and the initial 30 day uncapped data bundle is payable upfront using your debit/credit card when you place your prepaid fibre order
- If the customer does not renew the service within 90days, the service will auto-terminate (Remember to purchase an uncapped data bundle every 90 days)

\*Uncapped: Fair usage policy applies.

\*\*Asymmetrical speeds: Upload and download speeds differ, with download speed being higher, as the average customer requires a higher download speed to download movies, music etc.

\*\*\* Vodacom Fibre Terms and Conditions apply
